HORSE THIEF.

The Notorious Jno. Ellis and Henry Luther, Two Horse Thieves, Taken to Meosho County, for Trial.

Yesterday, Sheriff Hill, of Neosho cour ty, took from the Fort Scott jail the note rious John Ellis and Tom Ferguson, alias Henry Luther, two horse thieves, for the purpose of taking them to Osage Mission

for trial. Our readers will remember that John Ellis was captured a short time since in the Indian Territory, and taken to Thayer for

der tragedy, in this State. The officers have long known him as a desperate character, but until now he has escaped the clutches of the law.

Tom Ferguson, alias Henry Luther, was arrested a few weeks ago, charged with stealing horses and cattle near Osage Mis-

sion. He was committed to jail in Fort Scott, to await his trial. He is about 40 years old, five feet ten inches high, slender-ly built, has long arms and long legs, a keen black eye, and rather braggadocio He is known to have been engaged in stealing horses near Sedalia, Mo., about the

first of May last, when it was supposed that he was killed; but it seems that he was only wounded. The District court is now in session in Neoshs county, and they will probably have their trial this week.

SERIOUS ACCIDENT.

A Man Falls From a Building a Distance

of Thirty Feet. Yesterday afternoon Thomas Cameron foreman for Mr. Sneed, who has the contract for taking down the old Kansas Pa cific railway car shops, at Wyandotte, while on the top of the frame work of the building, accidentally stepped upon a loose brace, which at once gave way, sending him headlong to the ground, a distance of some thirty feet.

This work kept him constantly employed until about three o'clock, when he announced to the press-man that it was finished, and that the engauge gradually rose until it marked forty pounds. Just then the pressman went to pounds. Just then the pressman went to the elevator platform, previous to notifying those above, and turning around asked Mauch if there was forty pounds of steam on. Mauch replied in the affirmative, and McFadden then shouted up the gangway for some one to pull away the crossbar and let the elevator come down. Accordingly one of the men in the composing room attached the rope run by steam to the large iron hook on the top of the elevator, and then proceeded down stairs to procure some twine in order to fasten the rope more securely. In the mean-

stairs to procure some twine in order to fastenthe rope more securely. In the meantime the preseman should again up the gangway to let the elevator come down. At this juncture Mauch, who had been standing at the engine in the meantime, came over and stood on the elevator platform with the pressman. Immediately upon hearing the last order of the pressman is let the elevator down two of the pressman to let the elevator down two of the standard orders to be arrosted. shaft. McFadden saw the elevator coming, and getting of of the lower platform him. and getting off of the lower platform him-self, shouted to Mauch to do so, at the same

Mauch, however, startled at the sharp outcry of his companion, made no attempt to get out of the way of the engine of destruction, but looked up to see what was the matter. It was a fatal pause. In less the matter. It was a fatal pause. In less time than it takes to write it the elevator press-room, and saw the elevator fall. He hurriedly descended the stairs and assisted the pressman to lift the elevator from off the

body of Mauch, who was lying insensible underneath. Life was not yet extinct, although the pallid features, the short, quick breathing, and moreover, the terrible wound on the head, all betokened that his death was a question of but a few short mom ats. Drs. Brock and McCor-July 17th, 18.5.

General J. M. Robertson, C. annualizat Militation in the wounded man, pronounced his recovery impossible. At precisely halfstruck, he oreathed his lat, having neither recovered sensibility nor ttered a word in the meant ne. Just befo. he died his wife arrived, but to her most pitiful appeals for recognition no answer was vouchsafed. About five o'clock

the Coroner arrived and a jury was impan-neted. After hearing the statements of the vitnesses present at the time of the accient, the verdict "that the deceased came to his death from the falling of the elevator" was returned. No blame was attache by the jury to anyone. The body was then removed to Mauch's former residence on Ittawa street, between Seventh street and

was about twenty-five years of age, and had been a resident of this country about five years, four of which were spent in this city in the employ of Mr. Geo. Kauffmann, brass found. The deceased was a hard-working, incustrious mechanic, well skilled in his art, and kindly, gentlemanly and courteous to : 'I with whom he had dealings. He had been married but about one year and a half, and the sad and crushing blow will have a terri-ble effect upon the new-made bride and widow and the orphaned child. TIMES tenders to the bereaved lady its heartfelt sorrow, with the accompany-ing wish that she may receive sufficient strength to bear up under her great load of affliction.

BEAVER, July 19 .- It is stated this morn-

ing, Judge Sutherland, counsel for Darne, said that he had found a fatal defect in the indictment, which he had intended to overhave been committed in this Territory, or district, nor in any county, but simply in other designation. Whereupon Mr. Carr rose and presented a new indictment, which charges Darne, Elliott, Welder, Stewart, Adair, Higbee, Hoight, Jukes, and P. K. Smith with conspiracy with Indians to kill those emigrants. That, in pursuance to that conspiracy, they did kill them. The indictment will not be made public until to-morrow morning, at which time Lee will be arraigned, and plead to the charge.

The substance of John D. Lee's confession is that thirty Mormons, with the assistance of a large number of Indians, decoyed the one. It is the most wonderful healing and pain-Morm in church; that he took the news of the massacre to Brigham Young, who deplored the transaction and said it would bring disaster upon the Mormon people. The statement of Lee, so far as known, only confirms previous reports in regard to the ford to be without Centaur Link ent. Price, 50

Chief Megrue was in the FINANCIAL & COMMERCIAL second story, and had just called for a crow-bar, when the explosion occurred. A general alarm was immediately given, and TIMES OFFICE. GOVE-NMENT SECURITIES. the whole fire department was soon on hand, and at work searching for their unhand, and a work according to the ruins.

At 4 o'clock Chief Megrue's voice was heard calling for help. The fire blazed up anew at this time around the burned firemen, but the hose was soon brought into play, and the new danger averted. At half past 4 o'clock Chief Megrue was taken from the ruins, insensible and badly bruised. His injuries are not thought to be

was badly bruised and burned. It is feared his injuries will result in death. Dennis and John Pohlman were next rescued. They were slightly injured. Capt. Henry Schildmyer, E. S. Spencer, and Richard Holcomb fell from a five story

ladder, but escaped with slight injuric. Lee Slocum is thought to be fatally hurt. Three men on the pavement were severely hurt from flying missiles. LATER.-The loss at the Fourth street fire this morning is much larger than at first supposed. Block's loss is between fifty and sixty thousand dollars; insured for \$34,000 ; Wm. Donaldson's loss is \$37,000;

fatal, however. Of the firemen, James

nsured for \$21,000, loss on building, \$15,-000; fully insured.

Richard Holcomb was found dead in the uins. His body was horribly torn and nangled, it being broken in two just below he breast. At last accounts Chief Megrue is doing as well as could be expected, and his physicians have hopes of his recovery. He is wounded in the head, and has severe

scious, and resting very quietly. McCormick cannot recover. He had one side of
his face knocked off, and is injured worse
than was supposed. This morning the rest
of the injured are doing well.

At half past one this morning, the distillery of H.T. Jasper, Covington, Kentucky, was destroyed by fire, together with 400 or 500 barrels of whisky and 2,000 barrels of malt. Loss, \$50,000. Insured for \$25,000.

A petition will be filed in the Probate Court to-morrow, for the impeachment of Mayor Johnson. He is charged with vari lators of the police at the last election, contrary to the law then in force, when he was a candidate for re-election. Two of the parties signing the petition were members of the police force at the time, but have since been removed, it is asserted.

| Contrary to the law then in force, when he was a candidate for re-election. Two of the parties signing the petition were members of the police force at the time, but have since been removed, it is asserted. ous acts of omission and commission, the

without cause. Chief engineer Megrue, of the fire de-partment, who was so severely injured at the fire this morning, is reported, to-night, as resting easy. No bones were broken, as reported, but he has a severe scalp wound, and suffered severe injuries on the body and right leg.

CLEVELAND, July 20.—The planing mill, owned by Cohm & Stuhr, on Centre street, was partly destroyed by fire early this morning. The loss will be heavy.
